Sibling Concessions

Sibling concessions are calculated on the number of students from the same household who are attending the school or New Hope Christian School. Sibling concessions are not offered for cross school enrolments with Pacific Online Christian School.

Tuition Fee Concession Programs

The school offers a tuition fee concession program for families in financial distress, mainly aimed to provide short to medium term fee relief. Where longer term fee relief would be required to enable fee affordability, this should be discussed with the Principal. We also offer a tuition fee concession program for families who are in full-time ministry.
