

SCHOOL UNIFORM

PACIFIC HILLS CHRISTIAN SCHOOL

FROM THE PRINCIPAL

School uniform is a traditional part of school life in Australian schools. Uniforms are not used in Christian schools for uniformity, but rather for a sense of belonging and a sense of self discipline.

Many people play their part in the creation of a school uniform. We hear from students, staff and parents, both current and past. At this time, we are encouraging our parents and students to understand the innovations that have taken place in wearing a school uniform at Pacific Hills Christian School. We are thankful for each person that has had a degree of involvement in this process.
